Alton High School  
High School Diploma  
05/2005

## ABOUT ME

I am a Graphic Designer with a passion for Digital Media. When it comes to design I get inspiration from all forms of art. One artist that I typically relate to is Banksy. He pushes boundaries and influences the world for the better. That's really what I am all about. I like to step outside my comfort zone and make designs that change the way people see visual communication.
